Basic Needs (UNHCR)
- No major update

World Refugee Day preparations (UNHCR)
- Theme this year is “Standing Together with Refugees” – hashtag #withrefugees – beginning June 1
- There will be no large commemoration event, given that June 20 falls during Ramadan
- Inform Katherine Dunn (dunnk@unhcr.org) of any activities that your organizations will do independently to commemorate World Refugee Day (June 20)
- Inform Katherine Dunn if your organization would like to display the WRD handprint banner (created in 2015) in the beginning of June. It measures 10m wide by 12m tall.

NRC – Presentation of Shelter Program in Jordan
- Drop-in center and hotline are still open. Referrals number is 0795072803

Complaint mechanisms for Cash Programs – Lessons Learned
- Intersos – overcame high calls traffic and voice mail on complaints phone number by instructing beneficiaries (through flyer) to text their ASC number, upon which Intersos would verify that they were recipients and then call back
- WFP hotline – 9 staff working 9 to 5 at a call center to answer queries; still faces overloads during times of policy changes.
- German Red Cross – puts the complaints phone number in the SMS notifying beneficiaries that they will receive; has not faced problems to date.
- ICRC mobile phone number receives sometimes wayward phone calls but takes time to explain the purpose of the phone number so that others will not block the number with high traffic
- A box for written petitions makes sense if organizations have community centers or drop-in centers frequently visited by refugees
- Organizations have found that refugees generally do not use email.

Partner Updates
- World Vision Japan – Has begun remedial courses at 3 public schools in Irbid.
- GRC – Requests info-sharing for staff recruitment
