Modalities of food distribution: Food vouchers in 8 camps (Domiz 1&2, Arbat, Basirma, Darashakran, Gawilan, Kawergosk and Qushtapa) and unrestricted cash distributions at Akre Castle camp.

May Highlights

A total of 55,360 Syrian refugees received assistance from WFP in May 2017 under the regional Protracted Relief and Recovery Operation (PRRO).

All beneficiaries received IQD 22,000 (USD 19) per beneficiary, per month.

The Joint Vulnerability Assessment (JVA) will be conducted by WFP, UNHCR and KRISO. The JVA is due to start by the end of July 2017 and will cover refugees inside and outside of camps. The results of the survey will produce a set of targeting indicators, which will further enable a needs-based refinement of the current caseload.

According to the April process monitoring report, the three governorates in the Kurdistan Region of Iraq (Erbil, Dohuk and Sulaymaniyah) reported that all refugee distribution processes were 100 percent satisfactory.

World Vision International - Kurdistan Region of Iraq continues to be WFP's only partner for the provision of cash-based transfers to Syrian refugees.
