

The figure consists of three donut charts arranged horizontally, each representing a different category of funding. Each chart shows the percentage of funds received (colored arc) and the percentage of the gap (gray arc). The data is summarized in the table below:

Category	Received	Gap	Total Appeal
NGOs	\$38 million	\$54 million	\$92 million
Total Appeal	\$1.22 billion*	\$530 million	\$1.75 billion
UN Agencies	\$1.16 billion	\$492 million	\$1.66 billion

*Note: The 'Total Appeal' chart includes a footnote indicating that the \$1.22 billion received figure includes \$1.16 billion from UN Agencies.
