1 - In the process of being operationalized
2 - Established in the context of COVID 19

Coordination

The **National Coordination Platforms** are coordination mechanisms that bring together UNCT member organisations and various governmental, non-governmental, and international organisations of the civil society or other international cooperation bodies.

Objectives

To promote the coordination of RMRP activities aiming to ensure the recognition and **protection** of refugees, the protection of migrants, and jointly deliver an effective and efficient **humanitarian response** to their material needs, in complementarity and reinforcing the country's government's response.

Tasks and Responsibilities

- Establish and facilitate coordination activities to support service delivery;
- Apply and promote standards, guidelines and good practices, including capacity building;
- Undertake relevant emergency preparedness actions;
- Develop common messages and consensual opinions to advocate on behalf of affected populations;
- Ensure accountability to affected populations, including Communication with Communities;
- Monitor the implementation of programs/projects funded under the joint plan;
- Act as the focal point for communication and coordination with the Sub-Regional Coordination Platform.
