2011 has witnessed an unprecedented arrival of IDPs into Mogadishu due to drought-related reasons. While the largest influx of IDPs occurred in January 2011, trends indicate that since March, the rate of influx has been steadily increasing. Based on IASC Population Movement Tracking (PMT) data, this analysis aims to identify the key areas receiving IDPs in Mogadishu as well as the source of displacement this year.

**1st Quarter**
**January to March 2011**

- **Total IDP Arrivals in Mogadishu:** 31,400
- **Arrivals by Month:**
  - January: 24,000
  - February: 5,100
  - March: 800

**Reason for Displacement**
- **Eviction:** 2,200
- **Insecurity:** 6,300
- **Lack of Livelihood:** 21,700

**Source of Displacement**
- 100 people reported to have been evicted from IDP settlements in the Afgooye corridor and moved to Mogadishu.
- 6,300 people were reported to have moved from Afgooye (2,360) and Bakool (6,000) districts to other areas within Mogadishu due to insecurity issues.
- 21,700 people moved to Mogadishu due to insecurity-related reasons.

**Areas Receiving IDP Influx**
- 20% of all arrivals in Mogadishu this quarter

**2nd Quarter**
**April to June 2011**

- **Total IDP Arrivals in Mogadishu:** 8,500
- **Arrivals by Month:**
  - April: 1,100
  - May: 1,700
  - June: 5,700

**Reason for Displacement**
- **Eviction:** 100 people reported to have been evicted from IDP settlements in the Afgooye corridor and moved to Mogadishu.
- **Insecurity:** 1,400
- **Lack of Livelihood:** 7,100

**Source of Displacement**
- 100 people were reported to have been evicted from IDP settlements in the Afgooye corridor and moved to Mogadishu.
- 1,400 people were reported to have been evicted from other IDP settlements in the Afgooye corridor and moved to Mogadishu.
- 7,100 people moved to Mogadishu due to insecurity-related reasons.

**Areas Receiving IDP Influx**
- 20% of all arrivals in Mogadishu this quarter

---

**3rd Quarter**
**July to Date 23 September 2011**

- **Total IDP Arrivals in Mogadishu:** 35,800
- **Arrivals by Month:**
  - July: 27,600
  - August: 6,300
  - September: 1,800

**Reason for Displacement**
- **Eviction:** 0 people reported to have been evicted from IDP settlements.
- **Insecurity:** 400
- **Lack of Livelihood:** 100

**Source of Displacement**
- 400 people moved to Mogadishu from drought-related or related to insecurity.
- 100 people moved to Mogadishu due to insecurity-related reasons.

**Areas Receiving IDP Influx**
- 30% of all arrivals in Mogadishu this quarter

---

This data has been collected through the IASC Population Movement Tracking (PMT) system. PMT is designed to capture population movement trends, not cumulative population data. Due to the fluid nature of displacement in Somalia and in order to avoid capturing multiple displacements, UNHCR limits the reporting range to a period of three months - these figures should therefore not be added and used cumulatively.
