</table>
Standardized winterization package per selected HH consists of:

- One High Thermal Blanket or Quilt per person – cost $10
- One stove and appropriate fuel container (gas or diesel) – cost diesel stove approx. $100, cost gas stove approx. $50
- Cash for fuel, at a rate of $100 per targeted HH per month for five months (Nov-March)
- Timeline: to start implementation in October 2013

NFI winterization caseload:

- Registered refugee households, defined as vulnerable, living in cadastral area above 500m in elevation
- All occupants of ITS regardless of their registration status, vulnerability, nationality and the altitude of the ITS
- 10% of safe margin allocated to each area to cover PSN
- Projected NFI Winterization caseload for South region: 5,238 HH

Gaps & Implementation Challenges

GAPS
• Lebanese returnees: assistance only provided to those living in Zahrani area
• Beneficiaries will use the e-voucher/e-cards to buy winter clothing and shoes

CHALLENGES
• Identification of HH in needs
• Assessment of shelter needs (scope of the works)
• Delivery of items (access limited when snowing)
Thanks for your attention!!
