The information presented cannot be guaranteed as an exhaustive picture of the situation at a date based on a census of the refugee population. The predominance here displayed should be interpreted with caution as their interpretation largely depends on an unknown population size at the "Basic Service Unit" level. The present may reflect a snapshot at a given time and as presented here, the level of assessment can be used to discover characteristic patterns but is not legally valid for case-based decisions.

Number of Syrian Children Under 18 with a Source of Income (based on declaration of household member) by Basic Service Unit (BSU)
