Jordan - Balqa Governorate
Percentage of Syrian Households with No Child Vaccinated Against Measles by Basic Service Unit (BSU)

The information presented cannot be guaranteed as an exhaustive picture of the situation as it is not based on a census of the refugee population. The predominant types displayed here should be interpreted with caution as their interpretation largely depends on an estimated population size at the 'Basic Service Unit' level. The present map reflects a snapshot at a given time and as such does not represent a comprehensive view of population distribution. The data from this assessment can be used to discover characteristic patterns but is not legally valid for case based decisions.
