

Objective / impact indicator	Impact Indicator / Output description	Performance Indicator	Activities	Year
<b>Goal 1      Girls and boys are safe where they live learn and play</b>				
<b>Key challenges related to goal 1</b>	<ul style="list-style-type: none"> <li>• Lack of protective environment in schools particularly the prevalence of corporal punishment and gang violence.</li> <li>• Schools do not provide a “safe space to learn” and follow child friendly practices.</li> <li>• Children face a general lack of physical safety.</li> <li>• Weak working relations with Government line ministries and local institutions for children.</li> <li>• Insufficient networking with local/international organisations working with non-refugee children</li> </ul>			
Impact Indicators Goal # 1	<ol style="list-style-type: none"> <li>1. Extent children of concern with specific needs are identified and assisted</li> <li>2. # of reported incidents of SGBV per year</li> <li>3. Extent local communities support continued presence of PoC</li> <li>4. Extent authorities investigate and prosecute</li> <li>5. Extent co-operation among partners is effective</li> </ol>			
<b>Objective # 1</b> Protection of children strengthened	Core child protection functions / structures established	<ul style="list-style-type: none"> <li>• Projects specifically designed for child protection Y/N</li> </ul>	<ul style="list-style-type: none"> <li>• Child protection guidelines are developed by UNHCR to compliment strategy and standardise the child protection system.</li> <li>• Child protection written into and observed in all UNHCR and partner SOPs and programme materials.</li> <li>• Workshop developed for UNHCR and partner staff on child protection including mainstreaming across programmes and projects.</li> </ul>	2013 2014 2014
<b>Objective # 2</b> Risk of SGBV reduced and quality of response improved	Community based protection solutions supported	<ul style="list-style-type: none"> <li>• # of persons receiving support</li> </ul>	<ul style="list-style-type: none"> <li>• Children are specifically written into the UNHCR SGBV strategy</li> <li>• Children are specifically targeted in UNHCR and partner SGBV strategies.</li> <li>• New and existing projects to identify and mitigate SGBV risks for children through develop capacity at community level.</li> </ul>	2013 2014 2014

	Special procedures for child victims supported / sustained	<ul style="list-style-type: none"> <li>Special procedures for child victims / survivors have been established and sustained</li> </ul>	<ul style="list-style-type: none"> <li>Alternative care arrangements identified by UNHCR and referral pathways established.</li> <li>Capacity development provided for UNHCR and partner staff on identification of children who are victims or at serious risk of SGBV.</li> <li>Training on referral pathways provided for UNHCR and Partner staff.</li> </ul>	2013 2014 2014
<b>Objective # 3</b> Peaceful co-existence with host communities promoted	Projects benefiting host and displaced communities implemented	<ul style="list-style-type: none"> <li># of Projects benefiting host and displaced communities implemented</li> </ul>	<ul style="list-style-type: none"> <li>Sports and other targeted programmes of UNHCR partners are expanded to include interaction / collaboration / cooperation with children from host communities who are enjoying similar activities.</li> <li>Child protection service maps from UNHCR partners are collated to provide an expansive view of children's services highlighting where collaboration with host community and other organisations may be possible.</li> <li>Mapping of Current UNHCR, Partner and community child and youth programmes undertaken and results disseminated.</li> </ul>	2013/14 2013 2013
<b>Objective # 4</b> Protection from crime strengthened	Advocacy conducted	<ul style="list-style-type: none"> <li># of advocacy interventions conducted</li> </ul>	<ul style="list-style-type: none"> <li>Children and youth are consulted and included in all UNHCR and Partner advocacy interventions.</li> <li>UNHCR / Tadamon micro-grants programme supports projects that develop the capacity of young people to advocate on their own behalf, both within and outside of their communities.</li> <li>UNHCR and partners continue to advocate for refugee and asylum-seeking children at the national level through the ECPN.</li> </ul>	2013/14 2013/14 2013/14
<b>Objective # 5</b> Co-ordination and partnerships strengthened	Partnerships established with development actors at the national and regional levels	<ul style="list-style-type: none"> <li># of partnerships established with development actors at the national and regional levels</li> </ul>	<ul style="list-style-type: none"> <li>UNHCR develops partnerships with government agencies such as NCCM and NCW, as well as local and international development actors to increase protection space through addressing specific issues to PoC. (such as alternative care arrangements)</li> </ul>	2013/14
<b>GOAL 2: Children's participation and capacity are integral to their protection</b>				
<b>Key challenges related to goal 2</b>	<ul style="list-style-type: none"> <li>Programming and planning often done without true involvement of children.</li> <li>Children and youth not always aware of their legal rights/protection resources and services available to them.</li> <li>Need for expanded extra-curricular activities to encourage and facilitate meaningful participation.</li> </ul>			

Impact indicators goal # 2.	<ol style="list-style-type: none"> <li>1. Extent children of concern with specific need are identified and assisted.</li> <li>2. Extent PoC have formal access to work opportunities in host community.</li> <li>3. Extent PoC represented in leadership management structures.</li> </ol>				
<b>Objective # 1</b>  Protection of children strengthened	Adolescents engaged in constructive activity	<ul style="list-style-type: none"> <li>• Youth Committees established and operational (Y/N)</li> <li>• # of adolescents in targeted programmes arranged by UNHCR or partners</li> </ul>	<ul style="list-style-type: none"> <li>• **Four multi-cultural children's and youth committees are established and managed by Tadamon.</li> <li>• Capacity of youth committees developed so members can represent needs of young people within their communities.</li> <li>• Youth committees attend regular meetings with UNHCR and partners to represent views of young people in their communities.</li> </ul>	2013 2013/14 2013/14	
			<ul style="list-style-type: none"> <li>• Micro-grant programme established and administered by Tadamon providing 15 grants to facilitate community based child protection and livelihoods initiatives.</li> <li>• Data on community based child protection collected and disseminated by Tadamon.</li> </ul>	2013 2013/14	
	Core child protection structures / functions established	<ul style="list-style-type: none"> <li>• # of children's committees established and operational</li> <li>• Projects specifically designed for child protection (Y/N)</li> </ul>	<ul style="list-style-type: none"> <li>• Training / awareness raising for children and youth on their rights will be provided through active learning methodologies and delivered through Tadamon and youth committees.</li> <li>• Technology based solutions to access to information will be developed by UNHCR and partners including the use of SMS and social media.</li> </ul>	2014 2013	
			<ul style="list-style-type: none"> <li>• Sports groups established / strengthened by UNHCR partners to increase self-esteem and promote cooperation and teamwork as well as addressing psycho-social issues.</li> </ul>	2013/14	
			<ul style="list-style-type: none"> <li>• Workshops designed and implemented through Tadamon youth committees to assist and encourage young people to take a larger more active role in creating their own groups / associations (providing peer to peer support).</li> </ul>	2014	
	<b>Objective # 2</b>  Self-reliance and livelihoods improved	Access to training and learning enabled	<ul style="list-style-type: none"> <li>• # of persons of concern provided with life skills training for livelihood purposes</li> </ul>	<ul style="list-style-type: none"> <li>• Projects for out of school youth established / strengthened to provide soft / life skills increasing the capacity of young people to become self-reliant in the future. Activities include health awareness, literacy, financial and communication skills, computer literacy and community participation.</li> <li>• UNHCR and education partners work to expand access to vocational training.</li> </ul>	2013/14 2013/14

<b>Objective # 3</b>  Community mobilisation strengthened and expanded	Capacity building undertaken	<ul style="list-style-type: none"> <li># of persons trained</li> </ul>	<ul style="list-style-type: none"> <li>Children and young people are considered in the design and implementation of all community activities.</li> </ul>	2013/14
	Participatory assessment conducted	<ul style="list-style-type: none"> <li># of distinct groups participating in participatory assessment</li> </ul>	<ul style="list-style-type: none"> <li>Participatory assessment of child protection risks carried out by UNHCR and UNICEF to establish baseline and compliment secondary sources of information.</li> </ul>	2013
<b>Goal 3      Girls and Boys have access to child friendly procedures</b>				
<b>Key challenges related to goal 3</b>	<ul style="list-style-type: none"> <li>Child friendly approaches not mainstreamed into all interview procedures</li> <li>Child friendly information materials not readily available at UNHCR</li> </ul>			
Impact indicators goal # 3	1. % of UASC for whom best interest process has been initiated or completed			
<b>Objective # 1</b>  Protection of children strengthened	Capacity Building undertaken	<ul style="list-style-type: none"> <li># of UN staff trained on child protection and children's rights</li> <li># of partner staff and others trained on general child protection and child rights</li> <li># of UNHCR staff trained on how to interview children</li> <li># of partner staff and others trained on how to interview children</li> </ul>	<ul style="list-style-type: none"> <li>**UNHCR staff trained on children's rights and child protection.</li> <li>Child protection UNV employed and trained to work with UASC and SGBV cases in registration.</li> </ul>	2013/14 2013
			<ul style="list-style-type: none"> <li>**Key UNHCR staff trained on child friendly interview procedures / techniques.</li> </ul>	2013/14
			<ul style="list-style-type: none"> <li>**Partner staff and others trained on children's rights and child protection.</li> </ul>	2013/14
			<ul style="list-style-type: none"> <li>**Partner staff and others trained on child friendly interview procedures / techniques.</li> </ul>	2013/14

	Core child protection structures / functions established	<ul style="list-style-type: none"> <li># of child friendly spaces that exist</li> </ul>	<ul style="list-style-type: none"> <li>Child friendly spaces are designated and re-created at UNHCR and partner offices.</li> <li>Interview spaces for children and young people are designed around child friendly specifications.</li> <li>Number of child friendly spaces within communities researched and documented.</li> <li>Child friendly spaces within communities established / improved / maintained by UNHCR and partners.</li> </ul>	2013 2013 2013 2013/14
<b>Goal 4 Girls and boys obtain legal documentation.</b>				
<b>Key Challenges related to goal 4</b>	<ul style="list-style-type: none"> <li>Weak working relations with line ministries dealing with children's issues to operationalize its international commitments for refugee children</li> <li>Difficulty in accessing documentation for specific circumstances including: Mixed marriages and Late birth registration.</li> <li>Timely registration and allocation of blue / yellow cards for children and adolescents.</li> </ul>			
Impact indicators goal # 4.	<ol style="list-style-type: none"> <li>% of children under 12 months who have been issued a birth certificate.</li> <li>Average number of days from approach to individual registration</li> </ol>			
<b>Objective # 1</b> Civil registration and civil status documentation strengthened	Birth registration and certificates provided	<ul style="list-style-type: none"> <li># of persons registered and issued documentation through procedure for late birth registration (disaggregated by sex)</li> </ul>	<ul style="list-style-type: none"> <li>**UNHCR and partners continue to provide legal assistance for birth registration.</li> </ul>	2013/14
	Advocacy conducted	<ul style="list-style-type: none"> <li>Advocacy for civil status registration and documentation (Birth/Marriage/death/divorce) undertaken (Y/N)</li> </ul>	<ul style="list-style-type: none"> <li>Advocacy undertaken by UNHCR and partners for families who face difficulty registering their children due to mixed marriages and late birth registration.</li> </ul>	2013/14
<b>Objective #2</b> Quality of registration or profiling improved or maintained	Capacity building undertaken	<ul style="list-style-type: none"> <li>% of registration staff who have received registration training</li> </ul>	<ul style="list-style-type: none"> <li>Training is carried out with the registration unit at UNHCR on understanding and implementation of the standard operating procedures for unaccompanied and separated children</li> </ul>	2013/14
<b>Goal 5 Girls and boys with specific needs receive targeted support</b>				

<b>Key Challenges related to goal 5</b>	<ul style="list-style-type: none"> <li>• Foster arrangements for UASC are inadequate and ad-hoc and require a selective process for children with disabilities</li> <li>• Weak identification mechanisms for UASCs</li> <li>• Children in irregular movement are at risk of trafficking particularly those who lack caregiver / community support</li> <li>• Children with physical or mental impairments do not always receive access to required services due to lack of availability, non-identification, parent / caregiver incorrect information in database.</li> </ul>			
Impact indicators goal # 5	<ol style="list-style-type: none"> <li>1. % of UASC for whom a best interest process has been initiated or completed.</li> <li>2. Extent children of concern with specific needs are identified and assisted.</li> <li>2. Extent PoC are food secure.</li> <li>3. Extent PoC have access to primary health care.</li> <li>4. Prevalence of global acute malnutrition.</li> </ol>			
<b>Objective # 1</b> Protection of children strengthened	Special arrangements for protection and care of UASC established	<ul style="list-style-type: none"> <li>• # of UASC living in alternative care arrangements</li> </ul>	<ul style="list-style-type: none"> <li>• **Community based alternative care arrangements and referral pathways identified, established and maintained for unaccompanied separated and other at risk children by UNHCR.</li> <li>• Emergency short-term alternative care arrangements and referral established by UNHCR for all unaccompanied, separated and other at risk children UASC and other at risk children.</li> </ul>	2013  2013
	Measures to assist children with mental/physical impairments established and sustained	<ul style="list-style-type: none"> <li>• Mechanism for identifying children with mental and or physical disabilities established (Y/N)</li> </ul>	<ul style="list-style-type: none"> <li>• UNHCR and partner staff trained on identification and reporting of children with mental and physical impairments and specific focus placed on facilitating access to education and other services.</li> <li>• Community based rehabilitation structure established by UNHCR and partner staff</li> <li>• Data on CLWD is collected and disseminated by UNHCR and partners</li> <li>• Information on available services is researched and shared between UNHCR and partners.</li> <li>• Information on services is disseminated by UNHCR and partners to communities.</li> </ul>	2013  2013/14 2013/14  2013/14
	Core child protection Structures / functions established	<ul style="list-style-type: none"> <li>• # of children at risk identified</li> </ul>	<ul style="list-style-type: none"> <li>• Mechanisms for identification and monitoring of CoC strengthened, established, implemented and monitored.</li> <li>• Targeted support for children in detention researched.</li> <li>• Targeted support for children in detention strengthened / established and</li> </ul>	2013/14  2013 2014

			<ul style="list-style-type: none"> <li>monitored</li> <li>Data on children in detention collected by UNHCR and partners and disseminated</li> <li>Advocacy undertaken by UNHCR on children in detention through ECPN</li> </ul>	2014
<b>Objective # 2</b> Food security improved	Strategy developed or implemented	Written food security strategy which has been endorsed by health partners exists	<ul style="list-style-type: none"> <li>Food security of children and mothers is researched in UNHCR / UNICEF joint participatory assessment.</li> <li>Written strategy to address food insecurity amongst UASC and families with young children is developed by UNHCR and partners to ensure no child suffers from malnutrition or undernourishment.</li> </ul>	2013 2014
<b>Objective # 3</b> Health Status of the population improved	Preventative and community-based health care services provided	# of topics for which new health education materials have been developed this year	<ul style="list-style-type: none"> <li>UNHCR and partners to ensure that children are included in health education within their communities.</li> <li>Capacity of mothers developed within the community on child health issues</li> <li>Child friendly and appropriate health education materials are made available at community centres and schools.</li> </ul>	2013/14 2014 2014
<b>Objective # 4</b> Nutritional wellbeing improved	Assessment and analysis undertaken	PoC engaged in participatory assessment	<ul style="list-style-type: none"> <li>Child nutrition assessed as part of UNHCR participatory assessment.</li> <li>Data disseminated amongst partners and used to inform food security strategy.</li> </ul>	2013 2013/14
<b>Goal 6      Girls and boys achieve durable solutions in their own best interests</b>				
<b>Key Challenges related to goal 6</b>	<ul style="list-style-type: none"> <li>Only 26% of UASC benefitted from a BID in 2011</li> <li>No procedures for referral of UASCs determined not be of concern to UNHCR</li> </ul>			
Impact indicators goal # 6	<ol style="list-style-type: none"> <li>% of UASC for whom a best interest determination has been initiated or completed</li> <li>% of identified individuals departed for resettlement</li> </ol>			
<b>Objective # 1</b> Protection of children strengthened	Best interest determination process established and operational	# of BIDs conducted	<ul style="list-style-type: none"> <li>**BIA and BID conducted by UNHCR or AMERA for all children of concern to UNHCR as described by the SOPs on UASC.</li> </ul>	2013/14
		SOPs for BID established (Y/N)	<ul style="list-style-type: none"> <li>**Every UASC enters best interest process as per UASC SOPs.</li> </ul>	2013/14

<b>Objective # 2</b>  Potential for resettlement realised	Resettlement departures arranged	# of persons for whom UNHCR made interventions to facilitate their departures	<ul style="list-style-type: none"> <li>• Identification of UASC for whom resettlement is in their own best interests facilitated and completed according to SOPs within the minimum timeframe possible.</li> <li>• Information on resettlement conditions researched and shared amongst partners</li> </ul>	2013/14  2013/14
