YOU HEALTH

PRIMARY HEALTH CARE CENTRES

Refugees can see a doctor at a Primary Health Care Centre for health services, vaccination laboratory tests, chronic and acute diseases, follow up on pregnancy, family planning and other reproductive health services. You can also receive mental health treatment. You will pay between LBP 3000-5000. You will receive your medications for free.

UNHCR covers up to 85% of the cost of laboratory, diagnostic tests and 4 consultations for pregnant women. For laboratory and diagnostic tests, UNHCR covers up to 85% of the cost for children under 5 years old and elderly over 60 years old.

You will have to take an appointment at one of the following:
