Briefing by UNHCR about notary matters

Activities

- It was agreed to complete mappings (i.e. Mapping of CCs / Mapping of refugee committees / Mapping of outreach programmes) in prior to the proposed workshop.

- Dropbox has been created for sharing brochures and leaflets related outreach activities and it will be updated for all partners.

- During the PWG Work Plan discussions, IOM mentioned that the existing map regarding Community Centers is not accessible by the refugee community. Hence there should be public version of the map in Arabic. Because of that creating another structure for refugees in Arabic has been taken into consideration.

- CARE informed that I-map has a new project for Turkey where all services for refugees can be found as well as people’s comments about their services. CARE suggested to put in contact UNHCR with them for not to duplicate the efforts on the same matter.

- After UNHCR interventions with the relevant national counterparts, instructions had been shared with the public notaries regarding Temporary ID cards. The instruction states that the TP IDs are official documents which can be used in notary proceedings. If TP beneficiaries approach notaries outside of their province of residence, they have to submit a

**Provincial Level Coordination Meetings**

UNHCR has been asked about registration and family reunification procedures. UNHCR informed participants about their advocacy efforts on registration and asked participants to share vulnerable cases without registration. Through this lists UNHCR can advocate with authorities on registration.

Regarding family reunification, UNHCR stated that there are different modalities. In Hatay, FRU is possible on a case by case assessment such that if the individual in Syria has a passport, the family member can apply directly to at the Cilvegozu gate/Deputy Governor, but if the family member in Syria does not have a passport, then the family member in Turkey should make the request to the PDMM office where they are registered. Also some partners managed FRU in Sanlıurfa too.

**Osmaniye Provincial Coordination Meeting**

- PDMM confirmed that although pre-registration period is 30 day, according to the regulation additional 30 days can be asked for security check. Because of that, it is taking more than 60 days to be registered in Osmaniye.
- PDMM stated that they will give priority to vulnerable cases for registration with the approval of the Governor of Osmaniye.

Upon updates regarding Osmaniye, Gaziantep Bar Association asked for the situation in Düziçi Camp about situation of access to legal assistance by refugees.

**Gaziantep Bar Association will share the updates with**

<tbody>
<tr>
<td>CARE enquired if it is possible to receive updates from UNHCR regarding available places in the camps, to be able to refer cases for camp placements.</td>
</tr>
<tr>
<td>- Malumat presented their new informative video on violence against women which can be also reached through this link: <a href="https://www.youtube.com/watch?v=9sJOpRcKOwQ">https://www.youtube.com/watch?v=9sJOpRcKOwQ</a></td>
</tr>
<tr>
<td>- Upon Malumat’s request participants shared their opinions about the video. It has been suggested by the participants to have Arabic version of the video and also much more specifically specify the contact numbers of the related institutions in which situation victims should contact with who rather than providing general contact details in case of violence.</td>
</tr>
<tr>
<td>IMC asked UNHCR about IDP movements in Syria and if there is any advocacy done by them. UNHCR stated that there is an ongoing advocacy about opening of border with the authorities but the result is not tangible. Only passport holders and medical cases are currently being accepted by Turkish authorities in Cilvegözü Border Gate.</td>
</tr>
<tr>
<td>UNHCR also reminded partners to share any protection challenges that they face with UNHCR especially if they come up cases like deportation. Upon reporting, UNHCR can intervene.</td>
