- 2) Leaflet with activities available for new arrivals
- 3) Common certificate from all actors providing educational activities for children leaving.
- 4) Position of each actor post July 2017
- 5) AOB

AGENDA ITEM	DISCUSSION POINTS	ACTION POINTS
1. Common class rules	-All actors have identified the key rules to be used according to age group	-All actors will send the rules through to be presented in the next meeting.
2. Leaflet with activities available for new arrivals	- An A5 Leaflet should include joint program of all actors with information on activities, a contact number, targeted age groups and location. -Discussion whether to include actors that provide activities for youth up to 24. Even though the group's focus is on children, there is a need to report on this age group too.	-Who will pay for it is to be decided. -SCI to design -To be decided if relevant actors and activities for 18-24 years old should be included in another leaflet distributed to new arrivals (e.g. NRC).
3. Common certificate	-BAAS is already providing a certificate -The certificate should be used as proof of the work done with the children. -A grading benchmark is to be established and a way to assess the children's progress and how this assessment can be reported e.g. keeping diaries of each child to be able to measure on a qualitative and quantitative level.	-Pending news from MoE on a grading benchmark /how to assess the children's progress, Sevie to update. -If no answer in two weeks, to be re-considered.
4. Position of each actor post July 2017	-Discussion regarding handing over and affected NGO's exit plan. -SCI are officially up to 30/4 with a possibility of extension,	- Pending update whether Sevie's position will be renewed (currently until end of June). -Pending SCI internal meeting regarding their way forward, follow-up in two weeks -Need to brief some questions to address the relevant Ministry

		<p>on their operational plan for the islands.</p> <p>-Need to draft an Advocacy report by all actors affected- including more islands, not just Chios</p>
5. AOB	<p>-Discussion and questions regarding children in apartments especially their exact whereabouts and if they are being registered in Greek schools. Greek schools can reject children on the grounds of space and late enrollment.</p> <p>-Next meeting after Easter break</p>	<p>-Pending an answer to who is responsible to find an alternative for the children that are rejected by schools.</p> <p>-When is another round of vaccinations going to happen?</p>
