Food	<ul style="list-style-type: none"> • CDN provided food ration which included rice, salt, bean to the 1347 population of the 262 Households on 7th Dec 2015. • CDN supported bean, oil and nutrition on 15th Dec 2014. CMCs requested them to distribute the food rations at the same time (one distribution not two will save time and effort). • LWF completed warehouse renovation work during the month and CMCs reported that food ration can be stocked in the warehouse. 	<ul style="list-style-type: none"> • CMC is frequently raising their concern that 11 IDP families are not on the distribution list (who came from Rathedaung Township) and could not receive food rations. They are again requesting to inclusion of these 11 IDP families in the list. • IDPs in KDK have repeatedly asked for cooking fuel and the registration of new babies to get food from WFP. • Transfer name list from other camps to ease access on food rations. Now some families shifted from other camps are compelled to go to their previous camp to receive food and are spending (wasting) money for transportation.
