

In September 2017, 3RP partners involved in 3RP response in Egypt have provided 8,628 curative and preventive Primary Healthcare consultations to Syrian girls, boys, women and men. Among those, 3,306 patients were followed up and received monthly treatment for their non-communicable diseases. Also, 1,621 under 5 girls and boys received routine immunization and growth monitoring services. Beyond the primary healthcare level, 949 referrals to secondary, tertiary and emergency care were provided to those in need among them 57 referrals were life-saving emergencies.

Within the resilience component, 3RP partners continued to provide support to 208 primary healthcare facilities in Greater Cairo and Alexandria. Additionally, capacity building training on Surveillance and Vaccines management was provided to 235 MoHP healthcare professionals in Cairo, Alexandria, Giza, Qalyubia, Damietta and Sharkeya

Note: These dashboards reflect the achievements for the 3RP partners including UN agencies, and NGOs involved in the 3RP response in Egypt. Progress and target may change in line with the data revisions. All data on this dashboard is current as at 30 September 2017.
