-

### Fomal Settlement Classification & Definition

#### Camps

- Recognised, administered and usually managed by the host government.
- CCCM Cluster partners may provide management services.
- Planned and built to accommodate refugees or IDPs.
- Located on a site in an open field.
- Government and partners provide basic services and infrastructure.

#### Collective Centers

- Recognised, administered and usually managed by the host government.
- CCCM Cluster partners may provide management services.
- Not planned or built to accommodate the displaced but modified for that purpose.
- Usually inside a community building such as a school, hall or religious buildings.
- Government and partners provide basic services as appropriate to the context.

#### Dispersed Transit Centres

- Recognised, administered and usually managed by the host government.
- Formerly buildings classified as urban dispersed settlement (informal settlement, Collective Shelters & Collective Centres).
- Similar purpose and services as for reception and transit centres.
