

Rectification of status

Regularising the status of informal and unregistered Syrians nationals in Jordan

Deadline is 27 September 2018.

If you exceed the deadline, you will not be able to benefit from the rectification campaign.

Rectify your status now and formalise your presence in Jordan, if you are a Syrian national living in urban and belonging to one of the following categories:

- Any Syrian national that left refugee camps without a bailout or leave permit before 01 July 2017 and did not return.
- Syrians who arrived to Jordan through the informal borders and did not register with UNHCR.

By rectifying your status, you can benefit from the protection and assistance provided by UNHCR Jordan and you will receive a new Ministry of Interior service card. You can then live in urban areas in a formal way.

All you have to do is follow the below steps:

- 1 Approach any UNHCR office in urban areas (Irbid, Mafraq or Amman) or any UNHCR helpdesk or mobile registration mission across the Kingdom.
- 2 Find out if your name is included in the list of those who can benefit from this rectification.
- 3 If you are entitled, you can be registered at any UNHCR office or mobile registration mission, providing all the identification documents in your possession.

This campaign is free-of-charge and all of their information will remain confidential and safe.
