**OVERVIEW**

The BokolmANYO refugee camp was established to accommodate Somali refugees seeking international protection.

### Recent Developments

- All students (105) who appeared for the Ethiopian higher education entrance exam passed and received government scholarships to pursue post-secondary education.
- Construction of a market with permanent structures comprising of 80 rooms to accommodate existing businesses is ongoing.
- 118 refugee and host community clients have opened voluntary savings accounts and have saved ETB 49,720 with UNHCR’s Implementing Partners REST/CPDA.
- Mini-grid has been installed at the ARRA Health Clinic; making previously unavailable health services accessible for refugees.
- Construction of multi-purpose Energy Centre is ongoing and upon completion will be used by all stakeholders for energy related activities.

### Working with partners

Sweden (98 M)| Norway (43M)| Netherlands (39 M)| United Kingdom (32M)| Denmark (25 M)| Australia (19 M) | Switzerland (15 M)
### MAIN ACTIVITIES

#### Health
- **Health** clinics are available for refugees and host communities wherein the receive medical care, including:
  - Reproductive health & HIV services and related capacity building
  - Preventive and community-based health care and access to primary health care services
  - Vaccination
  - Maternity and child health services
  - Pre-departure medical screening/Medical escorts during RST and during relocation from border areas
  - Psychosocial counseling

#### Nutrition
- With support from UNHCR’s partners, refugees have access to infrastructure and receive nutritional support, including:
  - Implementation and monitoring of Supplementary Feeding Programme (SFP) for persons with special needs
  - Treatment of severe and moderate acute malnutrition

#### WASH
- Refugees have access to 20 litres of potable water per person per day
- Household sanitary facilities/latrines are available in the camp
- Environmental health and hygiene campaigns are implemented in the camp

#### Protection & Community Services
- UNHCR and its partners provide protection to refugees and promote durable solutions to their plight through:
  - Establishment and ensured functioning of community based child protection structures, notably for UASC
  - Provision of prevention and response services for children at risk, and capacity development on child protection
  - Provision of psychosocial counseling and community-based psychosocial programming
  - Enabling and sustaining community participation in SGBV prevention and response through capacity development
  - Provision of specific services to Persons with Disabilities (PWDs)
  - Resettlement to third country of asylum and facilitated process of family reunification
  - Registration and monitoring

#### Shelter
- Transitional and emergency shelters have been built and are regularly maintained.

#### Core Relief Items
- Sleeping mats, buckets, blankets, jerry cans, plastic sheets, kitchen sets, soap and sanitary materials are distributed to refugees.

#### Livelihoods
- Livestock development, microfinance, and skills development services are available for refugees and host communities.

#### Education
- 14 early childhood, primary, secondary schools and Alternative Basic Education programs are available, wherein education and vocational skills training for the youth and adults are provided.
- The boarding school accommodates over 100 refugees and host community students who come from across the Dollo Ado region to access secondary education in Bokolmamyo.

#### Environment & Energy
- To date, a total of 248 Solar Street Lights (SSLs) have been installed in Bokolmamyo camp.
- 10 refugees have been trained and have begun the installation and maintenance of the Solar Street Lights.
- Ongoing soil and water conservation activities through plantation of draught resistance trees, woodlot and agro forestry site development.

#### Food
- On a monthly basis, food is supplied, transported and distributed to all refugees.
