UNFPA to share the presentation with all partners
### Agency Update:

<table>
<thead>
<tr>
<th>Agency</th>
<th>Update</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>MoH:</strong></td>
<td>- Waiting for a letter from the minister regarding the new decision of MoH&lt;br&gt;- Maternal and Child Health Directorate of Ministry of Health provided an update to the group regarding the advocacy efforts to revoke the January 2018 new policy for providing RH services to Syrian refugees. The MCH Directorate with the support of the group has succeed in obtaining prime ministry’s approval to exclude preventive RH services to Syrian refugees from the new policy. The decision is subjected to a final approval from Health Insurance Administration in order to be implemented.</td>
</tr>
<tr>
<td><strong>IRC:</strong></td>
<td>- On the 1st Jun, IRC will start the referral of complicated obstetric care cases from Mafraq and Irbid Governorates. The first phase will be for three months, and the total of 30 cases for phase one.&lt;br&gt;- The cases of high-risk pregnancy and potential obstetric complications will be referred to private hospitals for treatments.&lt;br&gt;- IRC can accept any referrals from any partners.&lt;br&gt;- In Azraq camp, the operation is going smooth in villages: 2, 3, 5 &amp; 6</td>
</tr>
<tr>
<td><strong>IFH:</strong></td>
<td>- IFH will be conducting a CMR training on 25-28th JUN in Geneva Hotel&lt;br&gt;- IFH raised a concern regarding the distribution of family planning methods in the EJC as they are not allowed to distribute the Family Planning Methods.</td>
</tr>
<tr>
<td><strong>SCJ:</strong></td>
<td>- Started working in the Zaatari Camp since the 1st Apr.</td>
</tr>
<tr>
<td><strong>JHAS:</strong></td>
<td>- JHASI doctors are providing Special formula milk for the babies who are in need for this formula. The babies are referred to IMC to get the formula.</td>
</tr>
</tbody>
</table>

### Action Points
- MoH to share the new policy with all partners (RH Services)
- ALI to share IFH invitations to CMR trainings
