

Number of Chadian refugees repatriated (since Dec 2017)

4,800

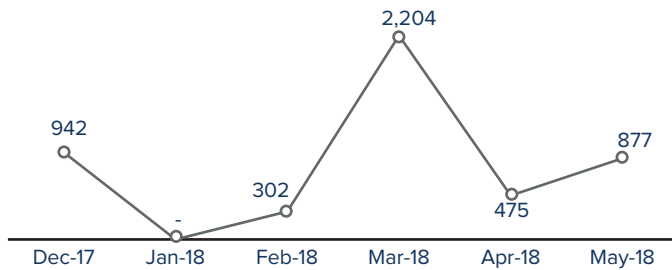

Number of Chadian refugees remaining in Sudan

4,208

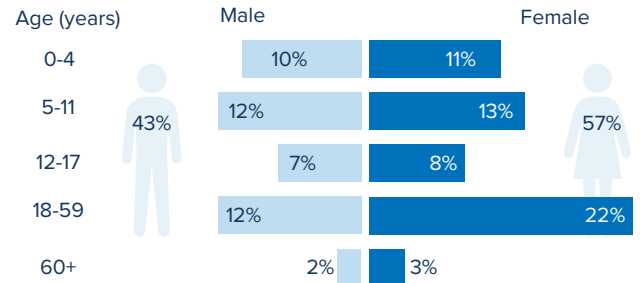

Total number of convoys (since Dec 2017)

15

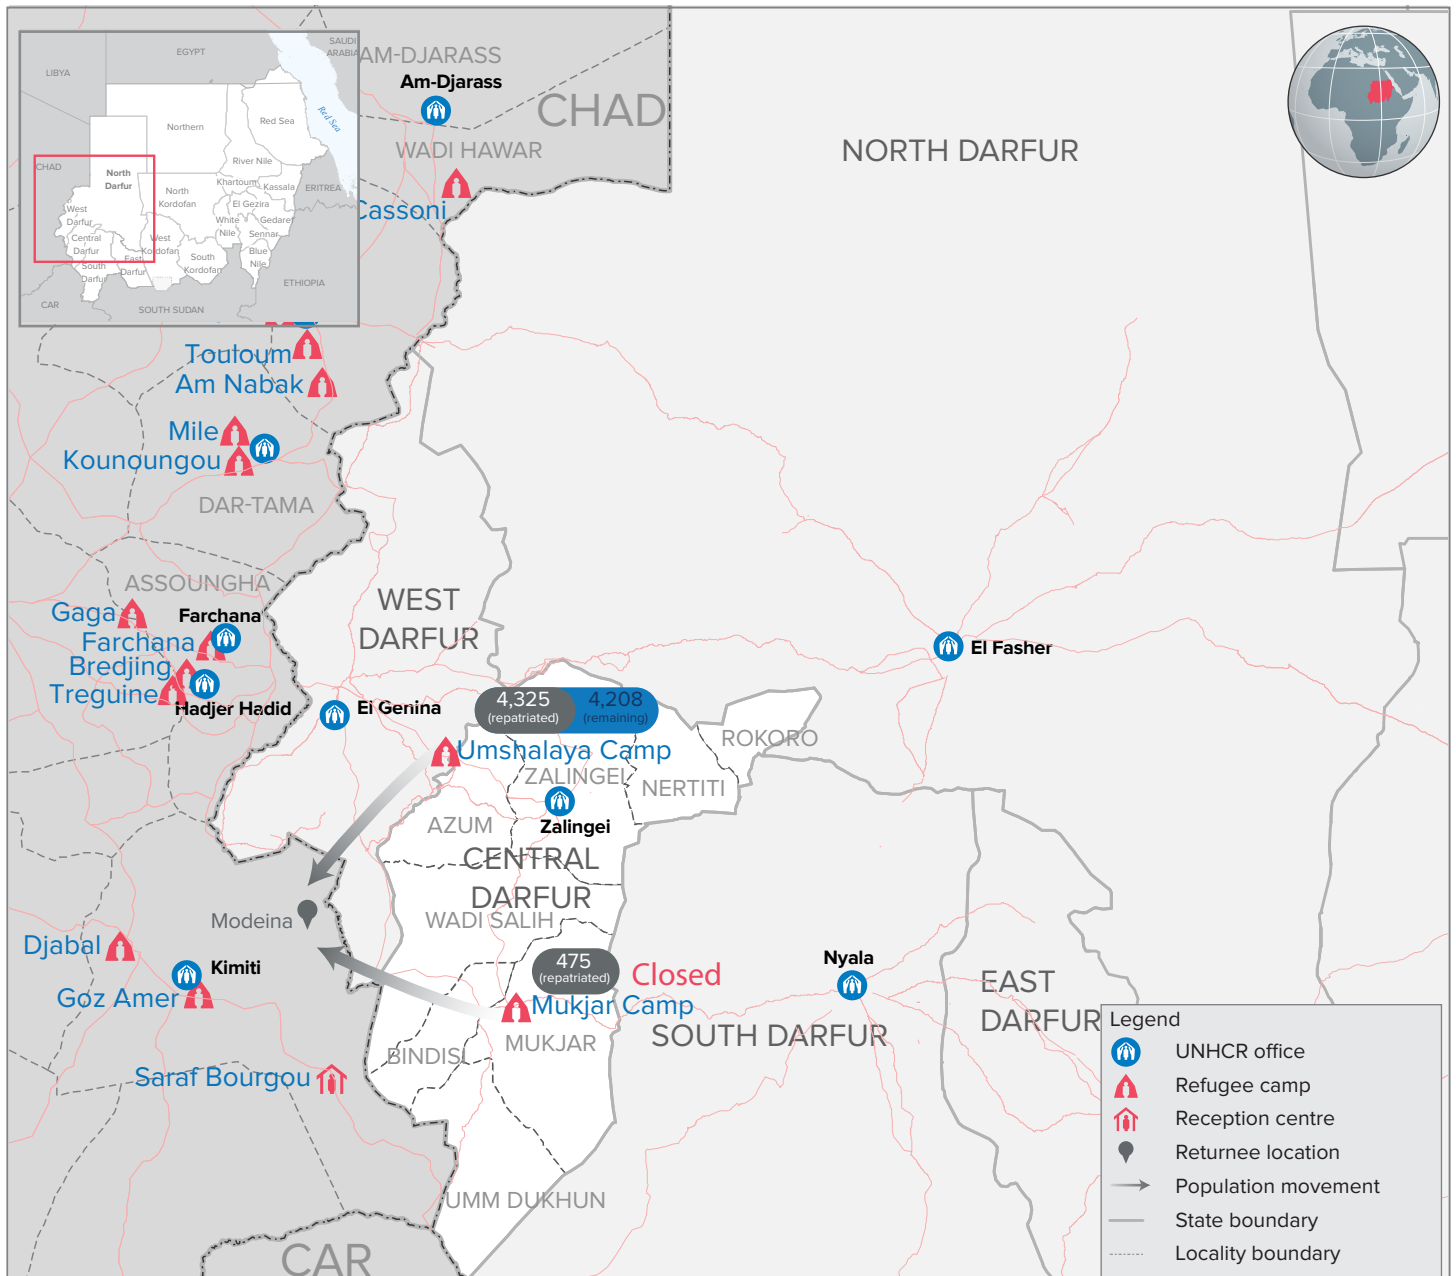

REPATRIATION MONTHLY TREND

AGE-GENDER BREAKDOWN

The repatriation of Chadian refugees from Sudan to Chad started in December 2017, after the signing of the Tripartite agreement in May 2017 between UNHCR and the Governments of the Sudan and Chad. Returnees have been assisted by UNHCR and COR with transportation, return packages, including core relief items and cash for shelter.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.
