UNHCR supports the Government of the Sudan to provide shelter solutions and non-food items (NFI) for affected populations in Sudan, including refugees, displaced people, returnees and host communities. UNHCR supports the coordination of the Emergency Shelter and NFI Sector with the Humanitarian Aid Commission (HAC), and the Commission for Refugee through the Refugee Coordination Forum. So far in 2018, UNHCR has been supporting some 17 national and international NGOs, reaching an estimated 198,000 people in 11 States.
