#IBelong Campaign to End Statelessness in 10 Years
#IBelong Campaign to End Statelessness

- 10 Year Campaign
- Launched on 4 November 2014
- Goal: “To bring an end to statelessness within 10 years by resolving existing situations and preventing the emergence of new cases of statelessness.”
Global Action Plan 2014 – 2024

• Guiding framework of 10 Actions to be undertaken by States to end statelessness in 10 years.

• Developed in consultation with a wide range of States, UN Agencies, International Organizations and NGOs.

• UNHCR, other UN agencies, civil society and stateless people to support Governments to accomplish the relevant Actions.
Global Action Plan

1. Resolve major situations of statelessness
2. Ensure that no child is born stateless
3. Remove gender discrimination from nationality laws
4. Prevent denial, loss or deprivation of nationality on discriminatory grounds
5. Prevent statelessness in cases of State succession
6. Grant protection status to stateless migrants and facilitate their naturalization
7. Ensure birth registration for the prevention of statelessness
8. Issue nationality documentation to those with an entitlement to it
9. Accede to the UN Statelessness Conventions
10. Improve quantitative and qualitative data on stateless populations
### Action 3: REMOVE GENDER DISCRIMINATION FROM NATIONALITY LAWS

States will have an opportunity to showcase achievements related to the #IBelong Campaign since launch of Campaign.

States (and others) are encouraged to make concrete, measurable pledges to end statelessness by 2024.
2019 High-Level Segment on Statelessness

The High-Level Segment on Statelessness will feature:

- A high-level panel with prominent leaders and thinkers
- Special treaty event for States to deposit their instruments of accession to the UN Statelessness Conventions
- A civil society side event
- Exhibitions and stalls on statelessness
2019 High-Level Segment on Statelessness

Pledges to be:

- **Specific**: Should relate to the implementation of one of 10 Actions of the Global Action Plan or some other specific action to identify and protect stateless persons or reduce or prevent statelessness.
- **Concrete**: Lead to a substantive or tangible outcome.
- **Measureable**: It should be possible to objectively assess whether pledges have been fulfilled in the time period specified.
- **Time-bound**: Fully implemented within the remaining five years of the #IBelong Campaign – that is, by the end of the year 2024.
2019 High-Level Segment on Statelessness

Sample pledges:

✓ Birth registration to prevent statelessness: By [year, no later than 2024], [name of State] pledges to simplify and improve access to birth registration procedures, including late birth registration to ensure universal birth registration. (Relates to Action 7 of the Global Action Plan to End Statelessness.)

✓ Resolution of protracted situations of statelessness: By [year, not later than 2024], [name of State] pledges to undertake the necessary law, policy and administrative reforms to grant or confirm nationality of all stateless persons and their descendants living in its territory since [insert historical date]. (Relates to Action 1 of the Global Action Plan to End Statelessness.)
2019 High-Level Segment on Statelessness

In the lead-up to the High-Level Segment on Statelessness:

- **Completion of domestic processes:** To facilitate accession to the statelessness conventions at the Special Treaty Event.

- **Domestic law and policy steps:** To complete relevant commitments and pledges made in the context of the Universal Periodic Review and 2011 Ministerial Meeting.

- **Domestic law and policy consultations:** To develop specific, concrete, measurable, time-bound pledges to be delivered at the High-Level Segment on Statelessness.
