

2019 August Statistical Dashboard

Inter-Agency
Coordination
Lebanon

The monthly dashboard summarizes the progress made by partners involved in the Lebanon Crisis Response Plan (LCRP) and highlights trends affecting people in need. Partners in Lebanon are working to: 1) ensure protection of vulnerable populations; 2) provide immediate assistance to vulnerable populations; 3) support service provision through national systems; and 4) reinforce Lebanon's economic, social, institutional and environmental stability. Reported progress towards targets is cumulative since January 2019, unless otherwise specified.

2019 Planning Figures

2.7 million
People targeted

1.5 million
Displaced Syrians

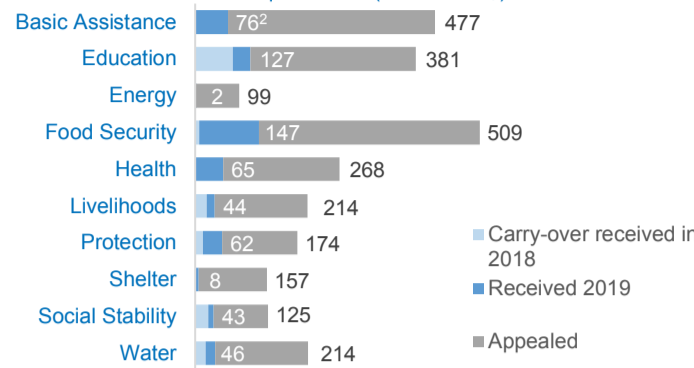

1 million
Vulnerable Lebanese

208,800
Palestinian Refugees (PRS and PRL)

2019 Funding

US\$ 2.62 billion Funding required
Sector requirements (millions US\$)

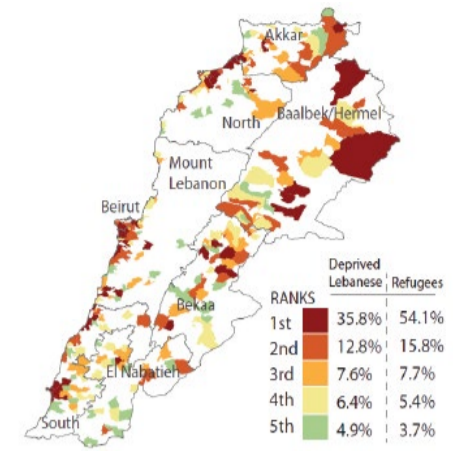

¹ \$ 418 million received in 2019 (as at 24 June) plus \$ 203 million carry-over (funding received in 2018)

² Composite figure for both funds received and carry-over

US\$ 621 million
Available¹ as at 24 June 2019

251 Most Vulnerable Cadastres

Basic Assistance

This month:	Partners Reporting	Population reached
	13	399,342

	Reached this month	Yearly target
# of households that received multi-sector/ purpose cash transfers (monthly target) ³	64,410 /	187,269
Total USD amount distributed as regular multi-sector/purpose cash (Leb, Syr & Pal)	\$10.6m /	\$283.9m
# of households that received seasonal cash grants or vouchers	0 /	237,399
Total amount of seasonal cash distributed in USD (Leb, Syr & Pal)	\$0 /	\$152.2m
Total USD amount injected into economy in forms of cash assistance (seasonal + regular)	\$10.6m /	\$436.1m

³ Vulnerable Lebanese, Syrian refugees and Palestinian refugees. Population reached includes families targeted by UNICEF.

Syrian refugees < MEB (\$114/person/month) ⁴	73%
Syrian refugees < SMEB (\$87/person/month) ⁴	55%
Lebanese families receiving \$175 MPC ⁵ grants	522
Palestinian families receiving \$100 MPC grants	8,771
Syrian families receiving \$175 MPC grants	58,090

⁴ Vulnerability Assessment of Syrian Refugees in Lebanon (VASyR) 2019.

⁵ MPC = Multi-purpose cash

Education

This month:	Partners Reporting	Population reached
	31	7,801

	Reached this month	Yearly target
# of children and youth whose registration fees for public formal education were partially or fully subsidised	0 /	497,171
# of children and youth whose registration fees for regulated NFE programmes were partially or fully subsidised	6,472 /	78,000
# of children and youth who benefitted from remedial or homework support programs	1,329 /	70,000

% of non-Lebanese children enrolled in public schools for compulsory education between the ages of 6 and 14⁶

92%

% of non-Lebanese children enrolled in formal education⁶

58%

Transition rate from SY 2017-2018 to SY 2018-2019⁶

59%

⁶ MEHE, PMU, RACEII Factsheet, March 2019.

Water

This month:	Partners Reporting	Population reached
	21	37,158

	Reached this month	Yearly target
# of affected people assisted with improved access to adequate quantity of safe water for drinking and for domestic use [e.g. public water supply system improvements] ⁷	33,709 /	\$1.1m
# of rehabilitated latrines to meet environmentally friendly practices	202 /	1,193
# of affected people assisted with temporary access to adequate quantity of safe water for drinking and water for domestic use [monthly target; e.g. water trucking, on-site water treatment]	3,449 /	241,550
# of affected people provided with access to improved safe sanitation in temporary locations [monthly target; e.g. installation of latrines, septic systems, desludging]	5,271 /	262,150
# individuals who experienced a WASH behaviour change session/activity	9,123 /	275,800

⁷ Activities may focus on one or several aspects of a system (e.g. improving the efficiency of the water supply through a network repair programme), but households may still not have safe water when needed.

% population in Lebanon without access to safely managed drinking water⁸

64%

% of all Lebanon's sewage not receiving secondary (biological) treatment⁹

97%

% Syrian refugee families with no access to improved drinking water sources⁸

22%

% Syrian refugee families with no access to improved sanitation facilities⁸

14%

% Syrian refugee families without access to private sanitation facilities⁸

39%

% Syrian refugee families with no access to personal hygiene items⁸

13%

⁸ WHO/UNICEF (2016), Joint Monitoring Program Lebanon water quality survey. Safely managed drinking water is 1) from an improved water source, 2) that is located on premises, 3) available when needed, and 4) free from faecal and priority chemical contamination.

⁹ UNICEF (2016), Rapid Assessment for Large & Medium Scale Waste Water Treatment Plants across the Lebanese Territory.

Food Security

This month:	Partners Reporting	Population reached
	14	764,581

	Reached this month	Yearly target
# of vulnerable people reached with food assistance through various modalities (monthly target)	761,905 /	913,406
Total USD transferred as cash for food	\$19.6m /	\$324.9m
# of farmers with enhanced farming practices and production	185 /	21,678
# of youth supported with employability skills training in agriculture fields/ enrolled in basic literacy and numeracy	54 /	2,000
# of individuals supported for seasonal agricultural labor/casual labor	12 /	21,678
# of individuals trained on good nutritional practices/who benefitted from microgardens	2,425 /	10,000

% Syrian refugee families with some level of food insecurity¹⁰

92%

% Syrian refugee families are moderately to severely food insecure¹⁰

29%

% Syrian refugee families depending on food voucher/e-card for income source¹¹

24%

% Lebanese families vulnerable to food insecurity¹²

10%

% Lebanese farmers in need of agriculture support¹²

73%

% PRS population that is food insecure¹³

95%

¹⁰ Vulnerability Assessment of Syrian Refugees in Lebanon (VASyR) 2019.

¹¹ VASyR 2019. % of those HHs who listed WFP food assistance as their main source of income.

¹² 30% of families listed WFP assistance as one of three main sources of income.

¹³ Food Security and Livelihoods Assessment of Lebanese Host Communities FSLA 2015.

¹⁴ AUB UNRWA 2015.

Energy

This month:	Partners Reporting	Population reached
	2	15

	Reached this month	Yearly target
# households that benefitted from renewable energy equipment (solar water heaters, pico solar system, etc.)	0 /	196,575
# municipalities or informal settlements provided with off-grid lighting	0 /	38
# renewable energy power generation systems installed for communities and/or institutions	0 /	25
# individuals reached through installation of necessary equipment to reinforce the distribution network	15 /	277,140

Power generation required to cater for the daily electricity needs of displaced Syrians¹⁴

486 MW

% Syrian households that have some access to electricity¹⁵

96%

Hours of electricity from the grid that Syrian refugee households are able to access daily¹⁵

13.2h

Protection

This month:

Partners Reporting	25
Population reached	85,725
Reached this month	Yearly target
2,076 /	40,000
5,973 /	100,000
120 /	67,640
260 /	5,201
1,151 /	14,658
4,051 /	140,000
11,084 /	286,750
2,309 /	24,000
2,467 /	29,262
7,079 /	91,445

of individuals who benefitted from legal counseling, assistance and representation regarding legal stay

of individuals who benefitted from counseling, legal assistance and legal representation regarding civil registration including birth registration and marriage

of new individuals who benefitted from community-based interventions

of new individuals trained, supported, and monitored to engage in community-based mechanisms

of individuals with specific needs who received specific support (non-cash)

of women, girls, men and boys at risk and survivors who accessed SGBV prevention and response services in safe spaces

of women, girls, men and boys sensitized on SGBV

of boys and girls who received case management services & those assisted through Child Protection focused psychosocial support

of caregivers engaged in activities to promote wellbeing and protection of children

of boys and girls engaged in community-based Child Protection activities

Total registered Syrian refugees ²⁰	924,161
% of households headed by females ²¹	18%
% of Syrian refugee families reporting that all members have legal residency permits ²¹	13%
% Syrian individuals holding legal residency ²¹	22%
% of families reported having at least one member with specific needs ²²	83%
% of births registered with the Foreigners' Registry ²¹	30%

²⁰ UNHCR registration data as at 31 August 2019.

²¹ Vulnerability Assessment of Syrian Refugees in Lebanon (VASyR) 2019.

²² VASyR 2019. Includes pregnant and lactating women.

Shelter

This month:

Partners Reporting	11
Population reached	10,240
Reached this month	Yearly target
3,507 /	208,800
3,083 /	297,164
0 /	30,000
3,473 /	300,000

of people who benefitted from weatherproofing and/or maintenance of makeshift shelters within informal settlements, residential and non-residential buildings

of people who benefitted from rehabilitation/ upgrade/ repair of substandard buildings into adequate shelters

of people who benefitted from upgrade of common areas within substandard residential buildings

of individuals who received fire fighting kits and awareness sessions in informal settlements and substandard buildings

% of Syrian refugee families living in conditions much below shelter standards ²³	66%
% of Syrian refugee families living in informal settlements ²⁴	20%
% of Syrian refugee families living in non-residential buildings (worksites, garages, etc.) ²⁴	11%
Average rental cost per household for Syrian refugees ²⁴	\$178

²³ This includes HHs living in shelters that are physically substandard, physically dangerous (collapse risk) and/or overcrowded (less than 4.5sqm per person. VASyR 2019.

²⁴ VASyR 2019.

Social Stability

This month:

Partners Reporting	6
Population reached	\$1.6m ²⁵
Reached this month	Yearly target
2 /	175
0 /	55
1 /	56
655 /	40,000
0 /	300

of municipalities that received Community Support or Basic Service Projects

of municipalities that benefitted from improved integrated solid waste management systems & approaches

new dispute resolution and conflict prevention mechanisms established

youth who participated in social stability initiatives

of partners' staff trained on conflict sensitivity

% people who agree presence of Syrian refugees places too much strain on Lebanon's resources (e.g. water, electricity) ²⁶	91%
% people who believe Lebanese people have been good hosts to refugees since 2011 ²⁷	91%
% people reporting 'no tensions' between Lebanese and Syrians in their area ²⁸	3%

²⁶ ARK Regular Perception Surveys on Social Tensions throughout Lebanon: Wave VI. UNDP, July 2019

²⁷ ARK Surveys, Wave VI. 92% of Lebanese and 89% of Syrian respondents.

²⁸ ARK Surveys, Wave VI. 2% of Lebanese and 11% of Syrian respondents.

²⁵ Calculated as the total population of the 52 municipalities where Social Stability initiatives are carried out. This is due to the community-wide benefits of the sector's interventions.
