2019 November Statistical Dashboard

The monthly dashboard summarizes the progress made by partners involved in the Lebanon Crisis Response Plan (LCRP) and highlights trends affecting people in need. Partners in Lebanon are working to: 1) ensure protection of vulnerable populations; 2) provide immediate assistance to vulnerable populations; 3) support sector provision through national systems; and 4) reinforce Lebanon’s economic, social, institutional and environmental stability. Reported progress towards targets is cumulative since January 2016, unless otherwise specified.

2019 Funding

<table>
<thead>
<tr>
<th>US$ 2.62 billion</th>
<th>US$ 981 million</th>
</tr>

- **Yearly target**
  - # of households that received multi-sectoral programme cash transfers (monthly target)
  - Total USD amount distributed as regular multi-purpose cash (Sub, Sdr & Pa)
  - Total USD amount of seasonal cash distributed in USD (Sub, Sdr & Pa)
  - Total USD amount injected into economy in forms of cash assistance (seasonal + regular)

**This year:**
- # of vulnerable households (proportion of target) reached
- # of families that received multi-sectoral programme cash transfers (monthly target)
- # of affected people that received cash for basic needs
- # of affected people that received cash for food

### Education

**This month:**
- Partners Reporting: 22
- Population reached: 273,446

- **Reached till this month**
  - # of children and youth whose registration fees for public formal education were partially or fully subsidized
  - # of children and youth whose registration fees for regulated NPE programmes were partially or fully subsidized
  - # of children and youth who benefited from remedial or homework support programs

- **Yearly target**
  - # of children and youth whose registration fees for public formal education were partially or fully subsidized
  - # of children and youth whose registration fees for regulated NPE programmes were partially or fully subsidized
  - # of children and youth who benefited from remedial or homework support programs

**This year:**
- # of students enrolled in primary education
- # of students enrolled in secondary education
- # of students enrolled in tertiary education

### Water

**This month:**
- Partners Reporting: 22
- Population reached: 273,446

- **Reached till this month**
  - # of affected people assisted with improved access to adequate quantity of safe water for drinking and for domestic use (monthly target, e.g. water trucking, on-site water treatment)
  - # of affected people assisted with temporary access to adequate quantity of safe water for drinking and for domestic use (monthly target, e.g. water trucking, on-site water treatment)
  - # of affected people provided with access to improved sanitation facilities
  - # of affected people who benefited from local or household water improvement projects

- **Yearly target**
  - # of affected people assisted with improved access to adequate quantity of safe water for drinking and for domestic use (monthly target, e.g. water trucking, on-site water treatment)
  - # of affected people assisted with temporary access to adequate quantity of safe water for drinking and for domestic use (monthly target, e.g. water trucking, on-site water treatment)
  - # of affected people provided with access to improved sanitation facilities
  - # of affected people who benefited from local or household water improvement projects

**This year:**
- # of people in need of water assistance
- # of households receiving water assistance

### Food Security

**This month:**
- Partners Reporting: 14
- Population reached: 273,446

- **Reached till this month**
  - # of vulnerable people reached with food assistance through various modalities (monthly target)
  - Total USD transferred as cash for food

- **Yearly target**
  - # of vulnerable people reached with food assistance through various modalities (monthly target)
  - Total USD transferred as cash for food

**This year:**
- % of vulnerable people reached with food assistance
- # of people in need of food assistance

### Energy

**This month:**
- Partners Reporting: 2
- Population reached: 45

- **Reached till this month**
  - # of households that benefited from renewable-energy equipment (solar water heaters, pico solar systems, etc.)
  - # of municipalities or informal settlements provided with grid lighting
  - # of renewable energy power generation systems installed for communities and institutions

- **Yearly target**
  - # of households that benefited from renewable-energy equipment (solar water heaters, pico solar systems, etc.)
  - # of municipalities or informal settlements provided with grid lighting
  - # of renewable energy power generation systems installed for communities and institutions

**This year:**
- # of people in need of electricity assistance

### 251 Most Vulnerable Cadasters

- Syrian refugees < MEB ($114/person/month) 
  - 73%
- Syrian refugees < SMEB ($87/person/month) 
  - 55%
- Lebanese families receiving $175 MPC grants 
  - 918
- Palestinian families receiving $100 MPC grants 
  - 8,771
- Syrian families receiving $175 MPC grants 
  - 58,090

**Vulnerability Assumptions of Syrian Refugees in Lebanon (2019):**
- $160.3m / $436.1m

**Health & Shelter:**
- Access to primary health care: 99%
- Access to safe drinking water: 99%
- Access to sanitation facilities: 97%

**Social Stability:**
- Access to basic services: 99%
- Access to education services: 99%
- Access to family planning services: 99%

**Energy:**
- Access to clean cooking fuel: 99%
- Access to electricity: 97%
