COMMUNICATION WITH COMMUNITIES

Appealing Organizations:

1 - In the process of being operationalized
2 - Established in the context of COVID 19
To promote the coordination of RMRP activities aiming to ensure the recognition and protection of refugees, the protection of migrants, and jointly deliver an effective and efficient humanitarian response to their material needs, in complementarity and reinforcing the country’s government’s response.

The **National Coordination Platforms** are coordination mechanisms that bring together UNCT member organisations and various governmental, non-governmental, and international organisations of the civil society or other international cooperation bodies.

### Objectives

To promote the coordination of RMRP activities aiming to ensure the recognition and protection of refugees, the protection of migrants, and jointly deliver an effective and efficient humanitarian response to their material needs, in complementarity and reinforcing the country’s government’s response.

### Tasks and Responsibilities

- Establish and facilitate coordination activities to support service delivery;
- Apply and promote standards, guidelines and good practices, including capacity building;
- Undertake relevant emergency preparedness actions;
- Develop common messages and consensual opinions to advocate on behalf of affected populations;
- Ensure accountability to affected populations, including Communication with Communities;
- Monitor the implementation of programs/projects funded under the joint plan;
- Act as the focal point for communication and coordination with the Sub-Regional Coordination Platform.
