Needs for Jordan Resettlement

747,602
Registered Refugees

10%
In need of resettlement

<1%
Actually resettled each year

- Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan;
- Resettlement is also a durable solution and a protection tool based on criteria related to protection rather than integration potential in the resettlement country;
- UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs.

Resettlement Process

Pre-Processing
Identification, screening, counselling & scheduling

Resettlement Processing
