- Departure data is reported by camp management partners, or by other partners for self-managed sites
- Initial population is from the start of each month, and may therefore have discrepancies with reported departures.
- Data will continue to be adjusted as partners reconcile their data.

*The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.*

**Creation date:** 16/11/2020 **Source:** 1) CCCM Camp Master List updated October 2020; 2) Camp closure status provided by CCCM; **Currently as of 16 November; ** Closure announced but has since been postponed or cancelled*

***The settlement type for HTC and Zayouna has changed from "Camp" to "Informal site"
