- Pre-Processing: Identification, screening, counselling & scheduling
- Resettlement Processing: Interview, review & submission
- Post-Submission Follow-up: inquiries, support for selection missions
- Departure Arrangements: exit permits, coordinate with IOM for departure formalities

www.unhcr.org/jo | Thank you to the countries receiving resettlement submission from Jordan in 2019:

- Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan;
- Resettlement is also a durable solution and a protection tool based on criteria related to protection rather than integration potential in the resettlement country;
- UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs.
