Needs for Jordan Resettlement

- Registered Refugees: 751,864
- In need of resettlement: 10%
- Actually resettled each year: <1%

Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan;
Resettlement is also a durable solution and a protection tool based on criteria related to protection rather than integration potential in the resettlement country;
UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs.
