Aegean Islands Weekly Snapshot

Arrivals
This week, 10 people arrived on the Aegean islands, a decrease from last week’s 34 arrivals and from last year’s 103 arrivals, during the same period.

The average daily arrivals on all islands this week equaled 1, compared to 5 in the previous week.

Departures to the mainland
This week, 328 refugees and asylum-seekers, once authorized by the authorities, departed from the Aegean islands to the mainland.

Entry Points by Sea
Chios received the highest number of arrivals (10). Lesvos, Samos and the Dodecanese islands received no arrivals.

Present Population on the Islands
Some 12,100 refugees and asylum-seekers reside on the Aegean islands. Of those, 9,400 (78%) reside in the permanent and temporary Reception and Identification Centers (RICs).

The majority of the population on the Aegean islands are from Afghanistan (47%), Syria (15%) and Somalia (9%).

Women account for 20% of the population, and children for 24% of whom nearly 7 out of 10 are younger than 12 years old.

Approximately 8% of the children are unaccompanied or separated, mainly from Afghanistan.

Departures to the mainland include: (i) transfers within IOM AVRR, (ii) transfers of UASCs to State-run facilities, (iii) transfers both to open reception facilities/sites and ESTIA II apartments in the mainland organised and supported by the Government and (iv) those who depart on their own means (following the lift of geographical restriction). *Other includes other facilities and self-accommodated. Statistics regarding Returns in the framework of the EU-Turkey Statement, can be found in UNHCR’s data portal.

Figures are subject to future adjustment based on consolidated figures provided by authorities. Percentages may not total 100 due to rounding.
