<sup>1</sup> IOM-DTM February 2021.

<sup>2</sup> Data as of 12 August 2021.

## Population Movements

So far in 2021, a total of 21,120 refugees and migrants have been reported as rescued / intercepted by the Libyan Coast Guard (LCG). On 19 August, 61 individuals were returned to the Tripoli Commercial Port, adding to a total of 2,412 refugees and migrants who have been disembarked so far this month. The primary nationalities of those disembarked this year include Sudanese (17 per cent), Bangladeshis (11 per cent) and Malians (11 per cent). UNHCR and medical partner the International Rescue Committee (IRC) continue to be present at disembarkation points to provide urgent medical assistance and Core Relief Items (CRIs).

## UNHCR Response

Last week, UNHCR's partner IRC distributed CRIs to 158 refugees and asylum-seekers at the Community Day Centre (CDC) in Tripoli. Assistance included the distribution of hygiene kits, soap bars, infant supplies, and clothing. As of 16 August, UNHCR and its partners have distributed CRIs including hygiene kits to 11,872 refugees and asylum-seekers.

During the reporting period, IRC provided 336 primary healthcare consultations for refugees targeting general, reproductive, and mental health. In addition, 98 individuals were referred to secondary public and private health clinics for further treatment. In detention centres, a total of 95 medical consultations were provided at four detention centres (Tariq Al-Sikka, Abusliem, Abu-Issa and Ain Zara). So far this year, more than 10,000 persons of concern received medical assistance from UNHCR and partners.

During the reporting period, 306 refugees and asylum-seekers were processed at UNHCR's Registration Centre in Tripoli, including 60 persons for Refugee Status Determination (RSD) and Resettlement. UNHCR registered 131 nationals from Sudan (96), Syria (23), Eritrea (10) and Ethiopia (1).

On 18 August, UNHCR and its partner, LibAid started the distribution of hygiene kits to over 1,300 Tawerghan internally displaced families (IDPs) in Benghazi. As of 19 August, UNHCR has distributed CRIs and hygiene kits to some 25,000 IDPs across the country.

UNHCR continues to deliver humanitarian assistance for refugees and asylum-seekers being held in detention centres across Libya. Last week, UNHCR distributed hygiene kits to 560 individuals including 423 males and 137 females. So far in 2021, UNHCR and partner IRC have distributed more than 2,000 CRIs and provided some 2,000 primary healthcare consultations and 60 medical referrals.
