General Updates

Site Verification Assessments: 5 sites verified in 5 districts where 50 IDP sites were verified. This included: 10 sites in Barawe district with a population of 1,559HH (11,470 Indv.), 6 in Adado with 3,037HH (17,172 Indv.), 12 sites in Jowhar with 5,253HH (30,466 Indv.), 10 sites in Dhusamareb with 3,651HH (26,996 Indv.) and in Abudukuw district which had 12 sites verified with a population of 11,422HH (72,371 Indv.).

Capacity Building: Partners including UNHCR in Dhobley trained a total of 234 participants comprising of IDP camp leaders, local authority representatives, NGOs on a site maintenance standards/site planning, site management, coordination, conflict management, CFM and modules on CMGs roles and responsibilities to enhance advocacy skills for IDP community leaders.

Coordination Meetings: Partners held site level coordination meetings across IDP sites in 6 districts including Kahda, Baidoa, Kismayo, Harage, Erigavo and El-Afwyn where discussions related to service delivery gaps and challenges were held with community members. Jubaland Commission for Refugees and IDPs (JUCR) organized site level coordination meeting for IDP communities in Luq and key issues discussed included service provision gaps/needs, strengthening CFM and improving RCCE activities within the sites.

Service Monitoring (SM): In October, Site monitoring reports occurred in 826 IDP sites covering 26 districts with 15 agencies administering this activity.

For more details on Site Monitoring, please see the dashboard: https://bit.ly/3ZQjKE

Cash Based Intervention (CBI) Cash for Work (CFW): On October 5 IDP sites in Belehawa benefited from Cash-for-work and reported to have used monthly stipends to buy food for their families, paying debts, buying medicines, paying school/madraasa fees and start small businesses within the IDP sites. In North Galgaduud KAF distributed Unconditional Cash assistance to 100 HHs including PLWD, part of whom were households expelled from Las Anod.

Complaint and Feedback Mechanism (CFM): The month of October, had a total of 4,358 complaints raised which was a significant increase of 16% compared to the number of complaints raised in September 3,567. October also marked the highest number of complaints recorded this year. Most of the complaints raised in October were from the Food Security and Livelihood (FSL) sector (29%), Shelter (30%) and WASH (15%) totaling to 74% of the overall complaints raised.

For more details on CFM please see the CFM Dashboard: https://bit.ly/3DYAC5X

Overall Objective

To improve the living conditions and protection of IDPs in sites and settlements and ensure equitable access to services and assistance of all persons in need, with a clear focus on moving toward attaining durable solutions with full participation of the displaced and host communities.
