Central African Republic Refugees in Sudan

as of 31 October 2021

The spark of inter-communal violence in September 2019 have led refugees from Central African Republic (CAR) to flee to safety in Sudan.

With more than 10,000 refugees arriving in 2020 and the situation along the CAR-Sudan border remaining tense and volatile, UNHCR has revised its planning figure for arrivals from CAR to 10,000 individuals by end of 2021.
