Mapping and IM material to come

- ActivityInfo
  - based on RRP indicators
  - Reporting on monthly basis

MSNA (Multi-sectoral Needs Assessment)
- based on sectoral information needs
- Circulating a draft based on the child protection rapid assessment tool – to be updated
RRP MSNA discussion on child protection assessment needs

- ISCG: planned for MSNA in coming weeks to inform on risks and programmatic needs
- Basic understanding of needs of different sectors and cross-sectoral
- Draft to be provided and shared with members
  - Volunteers from the CP SWG to work on an outline areas of interest/questions
Child Protection Rapid Assessment

- For Child Protection: global framework is the CPRA – Child protection rapid assessment toolkit
- CPRA is an inter-agency, sector-specific rapid assessment for use by CPSWG members in the aftermath of a rapid-onset emergency.
- Builds on the initial multi-sector joint assessment(s) and the protection sector rapid assessment.
- Snapshot of urgent child protection related needs among the affected population
- It can also act as a stepping-stone for a more comprehensive process of assessing the impacts of the emergency on children, as well as situation monitoring.
