Within the framework of the 2022 Regional Refugee Response Plan (RRP), 22 partners appealed under the plan to provide humanitarian assistance to refugees fleeing from Ukraine and multi-sectoral support to authorities in the response to the refugee situation. The current number of RRP partners is not exhaustive of the operational number of humanitarian partners. The figures in this dashboard are reflective of the support that is being reported to the RRP coordination structure. The Health sector activities contribute to measures 18-20 of the National Plan of Measures and SDG 3 and 5.
