| Lilian Severin UNAIDS | Lilian Severin from UNAIDS Moldova, introduced their program and available support in regards to HIV and TB. In collaboration with partner organizations they provide:  
- Technical assistance;  | FAQ available in the shared folder                                                                                                                |
- Finding resources regarding the fight with HIV and TB;
- Detection of people who are affected by HIV as a refugee;
- Psychological support;
- Counseling on harm reduction to prevent TB transmission, GBV, sexual reproductive system;
- HIV testing.

To ensure provision of information on HIV and TB a FAQ and referral pathways were developed and distributed among the task force members.

| Work plan and Terms of reference | Discussion and mutual reviewing of the Work Plan for 2023. The documents were shared with the members previously, and their suggestions were reflected accordingly.  
Points for approval and discussion:
  - objectives;
  - activities;
  - leading partners;
  - period of activities implementation.  
IOM proposed to lead “Moldova Information Ecosystem Assessment” activity for 2023, to have a comparison with the one done in 2022 and which will be soon released.  
UNICEF proposed to co-lead with UNHCR the “Training on Accountability to Affected People / Community Engagement” activity.  
M4P proposed to lead “Support and information provision to humanitarian workers and people displaced from Ukraine on Temporary Protection” activity, jointly with NCUM and dopomoga.  
WFP proposed to lead “Inclusion of refugees in community engagement activities” activity. | The deadline to provide comments was extended until March 3rd. All documents on the shared folder. |
| Other topics | No updates on the BMA’s status of informational campaign on TP. |
