TANZANIA - Burundi refugee situation NDUTA Camp profile as of 12th Oct. 2015

Relocation of refugees to Nduta Camp continued unhindered. As of 12th October 2015 **4,827** refugees (1,903 relocated from Nyarugusu | 2,924 new arrivals) refugees have been relocated in the camp.

The convoys of 12th October that came from Nyarugusu prioritized group and six border points namely Mabamba, Manyovu, Kilelema, Kitanga, Bihalu and Bukiriro. The refugees arrived in Nduta camp in safety and dignity, they generally appeared to be in good condition. They received orientation from MHA, DRC and UNHCR and equally underwent medical screening before receiving wet-feeding (new arrivals only). Those relocated from Nyarugusu had received dry ration prior to their relocation to enable them prepare their own food once in Nduta.

Relocated	New arrivals	Total
1,903	2,924	4,827

Pre-influx
