STRATEGIC OBJECTIVES

1. Ensure protection of vulnerable populations

Impact 1: Displaced persons from Syria and vulnerable populations live in a safe, protective environment

2. Provide immediate assistance to vulnerable populations

Impact 2: Immediate humanitarian needs of the most vulnerable populations are met

3. Support service provision through national systems

Impact 3: Vulnerable populations have equitable access to basic services (health, education, water, energy, solid waste, shelter and social protection) through national (public and private) system

4. Reinforce Lebanon's economic, social and environmental stability

Impact 4: Mitigated deterioration in the economic condition of vulnerable populations
Impact 5: Social stability is strengthened in Lebanon
Impact 6: Mitigated environmental impact of the Syrian crisis, to avoid further degradation of the natural eco-system and ensure its long-term sustainability

PROTECTION

incl. Sexual and Gender-Based Violence (SGBV) and Child Protection (CP)

986,942 Syrian refugees in Lebanon registered by UNHCR (as at 30 April 2018)
