OVERVIEW

Pugnido is the oldest refugee camp in the Gambella Region of Western Ethiopia. Pugnido hosts South Sudan refugees who arrived in different waves – since 1993, in 2012 and following post-December 2013 conflicts in the country of origin.

Refugee population in Pugnido 1

A total of **40,731** persons of concern

RECENT DEVELOPMENTS

- Comprehensive Level 3 Registration using the Biometric Identity Management System (BIMS) is ongoing activity for absentees or 'no-show' refugees and newborn.
- Due to relentless conflict between the Nuer refugees and host community, access to local market for Nuer Refugee population remain an impasse as movement restriction continues. However, efforts to restore peaceful coexistence between the rival tribal groups are underway by Gambella Regional Government supported by Federal Government through peace conferences conducted in Itang Special Woreda, Nuer Zone, Majang and Anyuak Zone.

WORKING WITH PARTNERS

UNHCR provides International protection and humanitarian services to the refugees in collaboration with government of Ethiopia and the following Implementing and operational partners:

- Administration for Refugee and Returnee Affairs (ARRA)** - In representation of Ethiopia's government - Camp Administration and Management, Primary Health Care, Primary Education, Logistic, Food and CRIs Distribution.
- Action for the Needy in Ethiopia (ANE)** – Road maintenance; shelter
- Concern World Wide (CWW)** – Nutrition, Food Security and livelihoods
- Development and Inter-Church Aid Commission (DICAC)** - Provides High School Education and Vocational training.
- International Medical Corps (IMC)** – Prevention of and Response to Sexual and Gender Based Violence (SGBV)
- International Rescue Committee (IRC)**- Water, Sanitation and Hygiene (WASH)
- Norwegian Refugee Council (NRC)** – Shelter
- NRDEP**-Environmental protection and reforestation
- Help Age International**- providing support to Older Persons (Protection, Nutrition and Health)
- Rehabilitation and Development Organization (RaDO)**- provides support to PSNs, CB SRH and HIV/AIDs
- Save the Children international (SCI)** – Child Protection, ECCDs or Pre-school and youth programs
- World Food Programme (WFP)** – Food Supply and Transportation
- Ethiopian Red Cross Society** – Family Tracing/Restoring Family Links.

MAIN ACTIVITIES

HEALTH

Health Care Clinics are available for refugees and host communities providing and improving:

- Access to Primary health care; Sexual and Reproductive health services
- Control of the Epidemics Diseases through Health Promotion and Education, EPI, and anti-malaria campaign
- Improve access to essential drugs and referral for persons with serious medical conditions to higher medical facilities

NUTRITION AND FOOD SECURITY

Refugees have access to infrastructure and receive nutritional support, including:

- Provision of supplementary and therapeutic feeding programs through preventing and treating undernutrition in the programs such as BSFP, TSFP, IYFP, OTP and SC
- Backyard gardening as part of food security enhancement.

WASH

- Access to water supply- an average access rate of 19.7 liters per person per day.
- Sanitation and Hygiene promotion- Construction of solid waste pits and family or household latrines; community-based hygiene promotion campaigns; maintenance of family latrines
- WASH-related capacity building and maintenance of water supply facilities
- A permanent water supply system and sanitation program in place

PROTECTION, COMMUNITY SERVICES & REGISTRATION

UNHCR and its partners provide protection to refugees and promote durable solutions through:

- Camp management and Coordination
- Supporting PSNs and other vulnerable groups such as UASC, Older Persons and SM
- Child Protection and Prevention of and response to SGBV
- Education and FAL or Formal Adult Learning Programme
- Building refugees' self-reliance through livelihood interventions/initiatives
- Provides capacity building to local authority institutions and refugee structures regarding International protection

SHELTER

- 58% of the households have received transitional shelter support. Construction for 150 households' transitional shelters and 10 mud brick shelters underway as per 2019 PPA.

CORE RELIEF ITEMS

- Core Relief Items – Sanitary materials (underwear, soap, and napkin) are often distributed on a quarterly basis to women and girls of age 13 to 49. Additionally, ARRA distributed mosquito nets to the refugees although not enough. Some NFIs such as sleeping mats, cooking utensil, jerry cans, and other items, often distribute in ad hoc or case basis.

LOGISTICS & SITE PLANNING

- Refugees were transported and relocated from border areas and to the camps. In addition, the camp layout was conducted and segmented into four sites (Village 12, New Extension Site, Old Nuer and Anyuak) comprised of twenty-eight zones. Old Nuer site has five zones, New Site has six zones, Village12 has five zones and Anyuak site has 12 zones.

EDUCATION AND YOUTH PROGRAM

- Early Childhood Development and Child Protection: SCI runs 11 ECCDs and CFSs providing educational services to 6,393 (3,440M, 2,953F) refugee children of ages 3 to 6. CFSs also provides recreational and case management services to UASC, OVC and other children.
- Youth Programs: SCI runs 3 youth centers engaging youths in different games and recreational activities; the centers also provide library services to the youths
- Primary Education (Grade 1-8): ARRA runs five schools providing education services to 8,830 (5,127M, 3,703F) refugee students
- Secondary Education (Grade 9-12): DICAC provides secondary education grade 9 -12 to 520 (435M, 85F) refugee students.
- Functional Adult Literacy Education Program: The program is facilitated by DICAC in seven centers to provide education service to the adult refugees who are not part of the regular schools. The program is run by incentive refugee volunteers.

ENVIRONMENT

UNHCR and partner/NRDP seek to reduce adverse environmental impact in the area hosting refugees through:

- Environmental protection and reforestation programmes.

FOOD AND LIVELIHOODS

- General Food Distribution – Monthly food basket per person comprise of cereals (13.5 kg), pulse (1.5 kg), CSB+ (1 kg), vegetable oil (0.9 kg) and salt (0.15kg)
- Livelihoods: engage both refugees and host communities in diverse livelihood activities such as rearing small ruminants, beekeeping, and crop production.
