5% Adult Female (18-59 yrs)

5% Elderly Male (60+)

31% Adult Female (18-59 yrs)

3% of Eritrean registered population are persons with disabilities

New Arrivals Trends (2018 - 2021)

UNHCR continues to receive new arrivals in East Sudan, largely from Eritrea. The Commission of Refugees (COR) receives and assists asylum-seekers at the border where they are temporarily hosted in reception centres.

Within 1-2 weeks they are transported to Shagarab camps where they undergo screening, registration, and Refugee Status Determination (RSD) while receiving life-saving services and shelter.

Eritrean Refugees and Asylum-seekers Per State

Kassala: 97,287 (78%)
