## OVERVIEW

As a leading agency of Non-Food Items (NFIs) assistance, the distribution of NFIs and Hygiene Kits (HK) remains a crucial activity for the UNHCR Libya operation. Through its partners, International Rescue Committee (IRC) and the Libyan Association for Aid (LibAid), UNHCR reached out to most vulnerable persons of concern including IDPs, refugees and asylum seekers in urban settings, in detention centers as well as at disembarkation points as part of its life-saving activities.

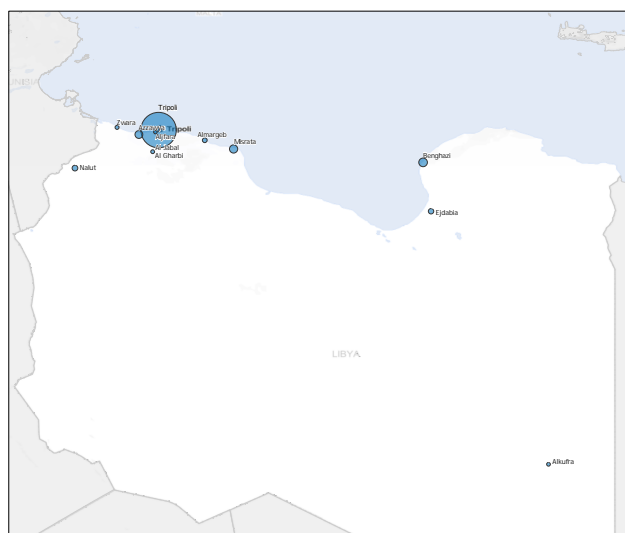

Since January 2021, UNHCR reached 33,338 persons with NFIs and 12,000 individuals with HKs in different areas in Libya. During July, UNHCR through its partner LibAid, distributed 2,700 NFIs/HKs targeting 26 refugees and migrants in Ejdabya detention center and 1,788 displaced families in Alasabaa city and Tawerghan IDPs in (Atib, Sidi Sayeh, Souq Alahad, Aldawa Alislamiya) IDP camps in Tripoli and Tarhouna cities.

During the same reporting period, UNHCR through its partner IRC, reached 947 refugees and asylum-seekers in the Community Day Center with NFIs and HKs. UNHCR further distributed directly urgent NFIs to 34 refugees and asylum seekers transferred from the LRC shelter in Misrata to urban setting in Tripoli, and finally distributed duffle bags to 133 refugees for evacuation purposes.
