| Agenda item                     | Issue  | Action Point   | Responsible agency(ies) |
|---------------------------------|--|--|-------------------------|
| Introduction of the Advocacy WG | <p>Advocacy working group was formed 3 months ago to coordinate and amplify advocacy work in priority areas. This group is crosscutting across all sectors and helps to push the key messages, through regular meetings with Ambassadors and donors, the media, etc.</p> <p>A discussion on how GBV sub-WG can feed into the Advocacy WG followed, the need of reviewing the briefing not was raised, as a mean to provide key messages.</p> <p>GBV WG will provide input on Objective 3 of Advocacy WG strategy: <i>Enhance protection of all vulnerable people</i></p> | <p>Propose suggested text for Objective 3</p> <p>Consolidate existing advocacy messages in briefing note</p> | UNHCR/UNFPA             |
| Discussion on Q&A               | <p>UNICEF presented its example of Q&amp;A on GBV. Content was specific to UNICEF, but format of a Q&amp;A is one that GBV sub-WG can consider adopting. In general the group needs to develop more tools to work with the media in a positive way.</p>  |  |                         |

|  |  |  |             |
|--|--|--|-------------|
| Updates on interagency regional GBV workshop | UNHCR and UNFPA coordinated a regional workshop on GBV which included case management, IMS, Advocacy/ work with the media, and also the opportunity to work on further developing a GBV strategy. Participates of the regional workshop, as well as other members of the WG will have a follow up meeting to continue work on the strategy, which will then be discussed during the next GBV sub-WG.   | Follow up email to be sent to members.<br><br>Follow up meeting to take place. | UNFPA/UNHCR |
| Revision of TOR                              | GBV WG TORs revised to incorporate feedback from the group. TOR and Action Strategy development are related and should be approached in a complimentary way.   | Finalize TOR   | UNFPA/UNHCR |
| AOB  | <ol style="list-style-type: none"> <li>1. PSEA: Concept Paper on establishing PSEA Taskforce presented to the HCT.
