51 Total number of Congolese refugees assisted to return in 2018

BASIC INFORMATION

POPULATION FIGURES
- The figures in this report were updated to reflect the results of continuous biometric registration and verification exercises in countries of asylum.
- The figures include additions (new arrivals and births) and subtractions (departures, deaths, no-shows during food distributions and deactivations).

2019-2020 RRRP
- UNHCR together with 56 humanitarian and development partners launched the 2019-2020 Regional Refugee Response Plan (RRRP) on 11 December 2018 for US$743 million to help respond to the needs of Congolese refugees in Africa.

FUNDING
- The interagency 2019-2020 Regional Refugee Response Plan (RRRP) for the DRC situation received $64.4 million, representing only 9 per cent of the total requirements for 2019, which amount to $743 million.
