-----------------------------	--	--	--	---

### OVERVIEW

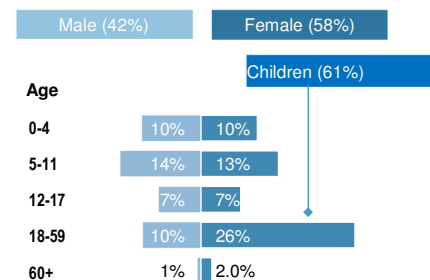

The Okugo Refugee Camp is located in the southern part of Gambella region, Western Ethiopia, and hosts South Sudanese refugees of whom majority come from Jonglei state fleeing ethnic conflict. The main ethnic groups are Anuak (68.3%), Murle (28.4%) and others (3.3%). The refugees are mainly farmers and pastoralists.

### Refugee population in Okugo Camp

A total of **13,916** persons of concern

*Figures were frozen 31 August 2018 due to the roll-out of a new registration system aiming to enhance refugee data*

### RECENT DEVELOPMENTS

- 194 outstanding cases verified L3 registration. 111 new arrivals (55 HH) were registered and issued with ration cards and Proof of Registration. All were provided with CRI and shelter. Dignity kit distributed for females in reproductive age group (12-49 years old).
- World environment day June 5, International Day of the African Child, June 16, and World Refugee Day, June 20, colorfully celebrated.
- Joint Refugee and Host Community meetings with objective of strengthening the existing peaceful coexistence & create awareness on the local laws.
- Joint Refugee and Host community Tree Seedling Planting Program organized.

# MAIN ACTIVITIES

---

## HEALTH

---

Health clinics are available for refugees and host communities wherein they receive medical care, including:

- Health services, including vaccination and anti-malaria campaigning activities
- Reproductive health and HIV/AIDS services
- Support to the health center with drugs and medical equipment.

## NUTRITION

---

With support from UNHCR's partners, refugees have access to infrastructure and receive nutritional support, including:

- Provision of supplementary, complementary and therapeutic feeding (includes plumpy nuts)
- Implementation and monitoring of school feeding programme.

## WASH

---

- Refugees have access to 20 L of potable water per person per day.
- Management and monitoring of existing water systems,
- Sanitation and Hygiene promotion
- Construction and maintenance of family latrines
- WASH-related capacity building
- Emergency water supply and sanitation

## PROTECTION & COMMUNITY SERVICES & REGISTRATION

---

UNHCR and its partners provide protection to refugees and promote durable solutions to their plight through:

- Camp management and security
- Support for persons with disability and other vulnerable groups
- Child Protection
- SGBV prevention, response services and capacity building

## SHELTER

---

- Transitional and emergency shelters have been built and are regularly maintained.

## CORE RELIEF ITEMS

---

- Core Relief Items - sleeping mats, kitchen sets, soap and sanitary materials - are distributed to refugees upon arrival.

## LOGISTICS & SITE PLANNING

---

- Refugees are transported and relocated from border areas and within camps. In addition, the camp layout for Okugo Camp is comprised of 7 zones.

## EDUCATION

---

- Early childhood, primary, secondary and tertiary schools are available, wherein school meals and vocational skill training for the youth are provided. Additional support is provided for University students.

## ENVIRONMENT

---

UNHCR and its partners seek to reduce the environmental negative impact in areas hosting refugees through:

- Forest and environmental protection and capacity building on environmental protection.

## FOOD

---

On a monthly basis, food is supplied, transported and distributed to all refugees. June general food basket includes cereals (13.5kg), corn soy blend (1.5 kg), pulse (1.5kg), 0.15kg salt and vegetable oil (0.9 kg).
