GENERAL PROTECTION

January - March 2020

OVERVIEW BY SUB-SECTOR OBJECTIVES AND INDICATORS

1. Enhance civilians’ protection from harm and respond to specific needs and risks with timely and comprehensive protection services.

Number of vulnerable IDPs, IDP returnees and refugee returnees screened, registered and monitored

400,000 | Target

5,742 394,258

Number of vulnerable women, girls, boys and men referred for inter-sectoral assistance that receive support services

100,000 | Target

10,544 89,456

Number of women, girls, boys and men with identified protection needs provided with protection-specific assistance

140,000 | Target

5,272 134,728

Number of vulnerable women, girls, boys and men provided with general information about availability of essential services and complaints mechanisms

500,000 | Target

18,636 481,364

2. Improve affected persons’ access to their rights and strengthen the overall protection environment.

Number of women, girls, boys and men provided with access to legal and land documentation

1,000,000 | Target

22,636 977,364

Number of women, girls, boys and men provided with legal aid services for access to justice

25,000 | Target

979 24,021

Number of persons (IDP and returnees, host community members, Government officials, service providers and humanitarian workers) provided with training on protection principles

10,000 | Target

984 9,016

3. Promote the creation of conditions for safe, voluntary and durable solutions and enhance freedom of movement.

Number of women, girls, boys and men receiving protection information and assistance to counter negative coping mechanisms

500,000 | Target

70,180 429,820

MONTHLY REPORT | 2020

Protection Information Management | nigabim@unhcr.org
