Departure Arrangements
Exit permits, coordinate with IOM for departure formalities

• Resettlement is an important gesture of responsibility sharing and solidarity with the government of Jordan;
• Resettlement is also a durable solution and a protection tool based on criteria related to protection rather than integration potential in the resettlement country
• UNHCR follows a one refugee approach and prioritizes refugees of all nationalities for resettlement according to protection needs

www.unhcr.org/jo | Thank you to the countries receiving resettlement submission from Jordan in 2019:
