Vocational training

- The sector working group meeting has provided a forum for a partner review of the Vocational Training mechanisms in country ([here](#)), recognizing this modality as an important avenue supporting access to employment and entrepreneurship opportunities.
- Mercy Corps presented an overview of their project supporting vocational training activities ([here](#)), and UNHCR presented the main findings of a recent TVET assessment ([here](#)).
- The LWG is planning to create a VT taskforce, consisting of partners who provide vocational training, in order to strengthen the VT coordination, avoid duplication and share learnings and best practices. To join the taskforce, please send an expression of interest to Rania Bakeer bakeerr@unhcr.org

Please find ([here](#)) the Skills for Employment and Social Inclusion Programme (SESIP) budget support fact sheet, shared by the EU as discussed during the meeting.

Services advisor taxonomy

It is a service mapping platform for service providers in Jordan accessed by all beneficiaries in Jordan (refugees and host communities) <https://jordan.servicesadvisor.org/>, please send your review and

feedback on the taxonomy under the Livelihoods services to Jueun Jung jung@unhcr.org, and please be informed that training sessions for users from your organizations are scheduled in the beginning of October.
