83 children in Qehza , 142 in Al Tomooh .

IOM:

WASH gaps:
All IDP hosting sites managed by IOM are covered with water & cleaning materials. Only Al-Hajariya camp, Al-Sabra is without water provision.
HKs were distributed in Hratha- DarAL Sharaf B – Dar AL Sharaf C-Waqueer A&B camps & and Al-Salam site - for a total of 355 HHs
In Al-Salam site and Waqueer B, there are a need for latrines maintenance & rehabilitation.

Shelter gaps:
NFI and ESKs for new HHs in all sites.
ESK for HHs Families affected by the rain.

DEEM, IOM and TYF team to refer the gap with service providers and/or escalate the gap to CCCM SNC through RES. Keep the CCCM SNCC updated.
**Food gaps:**
Most of IDPs living in IDP hosting sites managed by IOM are covered with Food assistance. There are only few are not targeted yet & they are as below:
- 17 HHs in DarAL Sharaf A
- 4HHs in DarAL Sharaf B
- 1HHs in Ibn Aqeel School Jiblah
- 8HHs in Hratha site
- 5HHs in Al Rumaid Al Udayn

**Education gaps:**
Students were expelled from schools due to non-payment of money to teachers in Al Mashannah district (IDPs children in Haratha site are forced to not come to school because their families can’t afford the fee for school).

**Health gaps:**
6 cases were referred to YWY to get the cash assistance.
All IDP hosting sites are in need for Health assistance & Services. (The absence of health partners creates a huge gap in health sector.)

---

4. **Site maintenance updates:**

- **DEEM:** has done the shelter maintenance at the technical site and ongoing on the education tent at Natco site.
- **TYF:** has done the protection and shelter maintenances.
- **IOM:** All maintenance activity implemented by IOM for 2021 has been done & we are on the process for planning for coming year.

---

5. **Challenges faced CCCM partners:**

- Deem SMC team having difficulty solving the HKs gap at managed sites.
- CCCM team received many complaints that need protection re-assessment by INAT form. The main cause of those complaints is (The BNFIis have been assessed by protection monitors but they didn't receive any CACH assistance).
- Finalize the food assistance in Qehza and Al Tommoh
- The maintenance cost didn’t cover all site improvement activities
- Threat eviction in Qehza Al Jame’e, in Al-Lahj and Al-Hujarya sites

---

6. **WASH and CCCM presentations:**
As part of the coordination carried out by the CCCM Team to protect the displaced families living in IDP hosting sites is to enhance coordination with the humanitarian counterparts to cover the relevant needs.
